CENSUS OF ENGLAND AND WALES, 1911.

INDEX OF NAMES OF PLACES.

EXPLANATORY NOTES.

(1). The population of every defined area separately mentioned in the tables of the Census Volumes, viz., Volume I (Administrative Areas), Volume II (Registration Areas), Volume III (Parliamentary Areas), and Volume IV (Ecclesiastical Areas), is given in this Index, and in most cases the Administrative County, the Urban or Rural District, and the number of the Registration District in which such place is situated. In addition, there will be found the names of about 15,000 places (shown in foot-notes to Table 5, Volume II), such as villages, hamlets, and named neighbourhoods which have no defined boundaries, for which the population could not be separately ascertained.

The respective pages in the Population Volumes on which further particulars may be found are also specified.

(2). The following examples show how the Index is to be used :—

Name.	Description.	Administrative County.	Urban or Rural District.	No. of Regn. District.	Population, 1911.	Page of Population Volume.			
						1.	2.	3.	4.
1. Barrow in Furness	P.B., C.B., Reg.D., R. Sub-D.& C.P.	Lanc.	—	482	63,770	4 & 174	274	9	—
2. Bisham ...	C.P. ...	Berks.	Cookham R.D.	123	761	65	54	—	—
3. Braybrooke	C. & E.P. ...	Nthptn. ...	Oxendon R.D.	399	268	245	214	—	249
4. Bucklow ...	P.S.D. ...	Chester ...	—	—	10,529	477	—	—	—

Example 1 shows that the Parliamentary and County Borough, the Registration District and Sub-district, and the Civil Parish of Barrow in Furness are all co-extensive (population 63,770), and that further particulars concerning this area will be found on pages 4 and 174, 274, and 9 of Volumes I, II and III respectively.

Example 2 shows that Bisham is a Civil Parish (population 761) which is situated in the Administrative County of Berks., in the Rural District of Cookham, and in Registration District numbered 123, and that further particulars concerning this Civil Parish will be found on page 65 of the Volume relating to Administrative Areas, and on page 54 of the Volume relating to Registration Areas.

Example 3 shows that Braybrooke is a Civil Parish (population 268), which is co-extensive with the Ecclesiastical Parish of the same name, that it is situated in the Administrative County of Northampton, in the Rural District of Oxendon, and in Registration District numbered 399, and that further particulars concerning this Parish will be found on pages 245, 214 and 249 of Volumes I, II and IV respectively.

Example 4 shows that Bucklow is a Petty Sessional Division (population 10,529), which is situated in the Administrative County of Chester, and that further particulars concerning this Petty Sessional Division will be found on page 477 of Volume I.

(3). The spelling of the names of places in the index follows with few exceptions that adopted by the Ordnance Survey Department.

(4). Owing to the number of compound names there is much difficulty in compiling an alphabetical index that will afford a ready reference in all cases. This difficulty is especially experienced in dealing with names which have such prefixes as *Great*, *Little*, *North*, *South*, *East*, *West*, *Old*, *New*, *Saint*, &c. In some cases such prefixes have become incorporated with the names, as in *Littlehampton*, *Northallerton* and *Easthampstead*; while in others the prefixes are sometimes written separately and sometimes not, as, for example, *New Church* or *Newchurch*, *West Leigh* or *Westleigh*. In all cases, therefore, such names have been indexed under the adjectival prefix as *East Ham*, *West Ham*, *Little Bampton*, *Nether Witton*, *Saint Albans*, &c., while in most cases, in view of the uncertainty as to whether the prefix is always employed, the name has also been inserted under its substantive portion, as *Bampton, Little* (*see Little Bampton*). Ecclesiastical and Civil Parishes known only by titles of dedication will be found under the towns or localities of which they form part.

(5). The expression "Civil Parish" means a "place for which a separate poor rate is, or can be, made, or for which a separate Overseer is, or can be, appointed." The "Administrative County," as shown in column 3, includes the associated County Boroughs.

(6). In all cases of alteration of boundaries since the date of the Census of 1901, the figures relate to the area as existing at the date of the Census of 1911. Where alterations of boundaries have taken place between the date of the Census of 1911 and the 30th June, 1912, the particulars for the areas affected are shown on pages 375 to 380.

Every area affected, either directly or indirectly, by such alterations is marked with an asterisk.

In addition to the necessary abbreviations of proper names, the following abbreviated descriptions have been used in column 2 of the Index:—
